Experience

Self-Employed

Computer Repair Technician

October 2018 - Present

Worcester, Massachusetts

- Diagnose and repair desktops, laptops, and peripheral devices.
- Introduced a system that backs up user data in order to prevent data loss in the event of a system crash.
- Replace components that no longer work.
- Explain to the customer the problem with their system

Papa Ginos

Team Member

November 2020 - November 2021

Worcester, Massachusetts

<https://www.papaginos.com/>

- Prepared and served food in a timely and efficient manner.
- Maintained a clean and sanitary environment by following safety protocols and regulations.
- Managed inventory by regularly counting and restocking supplies.
- Provided excellent customer service by taking orders over the phone and at the register
